

CODE OF BEHAVIOUR (REVIEW)

The existing policy was reviewed on October 10th 2008 with all teaching staff present. It was necessary to review our Code of Behaviour at this time in light of new guidelines from NEWB. This policy reflects the school's philosophy and ethos as outlined on our Aims and Ethos statement, and was formulated in consultation with BOM, parents, pupils, teachers, auxiliary staff and bus drivers.

The aims of the Code of Behaviour are:

- To provide guidance for pupils, teachers and parents on behavioural expectations.
- To provide for the effective and safe operation of the school.
- To develop pupils' self-esteem and to promote positive behaviour.
- To foster the development of a sense of responsibility and self-discipline in pupils based on respect, consideration and tolerance of others.
- To facilitate the education and development of every child.
- To foster caring attitudes to one another and to the environment.
- To enable teachers to teach without disruption.
- To ensure that the system of rules, rewards, and sanctions are implemented in a fair and consistent manner.

Implementation

Every member of the school community has a role to play in the implementation of the Code of Behaviour. Rules will be kept to a minimum, emphasise positive behaviour and will be applied in a fair and consistent manner, with due regard to the age of the pupils and to individual difference. Good behaviour will be encouraged and rewarded. Where difficulties arise, parents will be contacted at an early stage.

General Guidelines for Positive Behaviour

1. Pupils are expected to treat all adults and fellow pupils with respect and courtesy at all times. Behaviour that interferes with the rights of others to learn and to feel safe is unacceptable.
2. Pupils are expected to show respect for all school property and to keep the school environment clean and litter free.
3. Pupils are expected to take pride in their appearance, to have all books and required materials and to be in the right place at the right time.
4. Pupils are expected to obey a teacher's instructions, to work to the best of their ability and to present assignments neatly.
5. Pupils are expected to attend every day unless there is a genuine reason for absence, in which case the school must be informed in writing, stating the reason for absence.

Bullying

Definition of Bullying

Bullying may be defined as repeated acts of intentional aggression; which may be verbal, psychological or physical conducted by an individual or group against others who are not able or willing to defend themselves in that situation. Refer to Anti-Bullying Policy.

Affirming Positive Behaviour

Positive reinforcement of good behaviour leads to better self-discipline and we place a greater emphasis on rewards and incentives than on sanctions.

Strategies/Incentives

- A quiet word or gesture to show approval
- A comment on a child's exercise book
- A visit to another class or Principal for commendation
- Praise in front of class group
- Individual class merit awards, points awards or award stamps
- Rewards for pupils with special needs, will take account of their particular learning style
- Delegating some special responsibility or privilege
- Written or verbal communication with parent

Sanctions

The purpose of sanctions and other strategies is to promote positive and discourage misbehaviour. Sanctions will be applied according to the gravity of the misbehaviour, with due regard to age and emotional development. These may include:

- Reasoning with pupils
- Verbal reprimand including advice on how to improve
- Removal from the class
- Loss of privileges
- Extra work or carrying out a useful task in the school
- Detention for Breaks
- Sanctions will help students with special educational needs to learn about appropriate behaviour and skills
- Warning from Principal
- Notice to Parents/Guardians in the form of a Behaviour Note to be signed.
- A request for the parents/Guardians to call to the school, suggesting two or three times, to which a prompt response will be expected
- Formal report to the BOM
- Exclusion (Suspension or Expulsion) from school (in accordance with Rule 130 of the Rules for National Schools as amended by circular and Education Welfare Act 2000)

Pupils will not be deprived of engagement in a Curricular Area, except on the grounds of health/safety.

Suspension/Expulsion

Before serious sanctions such as suspension or expulsion are used, the normal channels of communication between school and parents will be utilized. Communication with parents may be verbal or by letter depending on the circumstances.

For gross misbehaviour or repeated instances of serious misbehaviour suspension may be considered. Parents concerned will be invited to come to the school to discuss their child's case. Aggressive, threatening or violent behaviour towards a teacher or pupil will be

regarded as serious or gross misbehaviour.

Where there are repeated instances of serious misbehaviour, the Chairperson of the Board of Management will be informed and the parents will be requested in writing to attend at the school to meet the Chairperson and the Principal. If the parents do not give an undertaking that the pupil will behave in an acceptable manner in the future the pupil may be suspended for a period. Prior to suspension, where possible, the Principal may review the case in consultation with teachers and other members of the school community involved, with due regard to records of previous misbehaviours, their pattern and context, sanctions and other interventions used and their outcomes and any relevant medical information. Suspension will be in accordance with the Rules for National Schools and the Education Welfare Act 2000.

In the case of gross misbehaviour, where it is necessary to ensure that order and discipline are maintained and to secure the safety of the pupils, the Board may authorise the Chairperson or Principal to sanction an immediate suspension for a period not exceeding three school days, pending a discussion of the matter with the parents.

Expulsion may be considered in an extreme case, in accordance with the Rule for National Schools and the Education Welfare Act 2000. Before suspending or expelling a pupil, the Board shall notify the Local Welfare Education Officer in writing in accordance with Section 24 of the Education Welfare Act.

Removal of Suspension (Reinstatement)

Following or during a period of suspension, the parent/s may apply to have the pupil reinstated to the school. The parent/s must give a satisfactory undertaking that a suspended pupil will behave in accordance with the school code and the Principal must be satisfied that the pupil's reinstatement will not constitute a risk to the pupil's own safety or that of the other pupils or staff. The Principal will facilitate the preparation of a behaviour plan for the pupil if required and will re-admit the pupil formally to the class.

School Rules

School rules are kept to a minimum and are devised with regard for the health, safety and welfare of all members of the school community to enable pupils to develop into mature and responsible individuals. If a school is to function efficiently, it is necessary that rules and regulations are clearly stated and enforced consistently and fairly.

Parents are reminded that the schools responsibility for pupils commences at the official opening time of 9.20 a.m. and ends at the official closing time of 2.00 p.m. (Infants) 3.00 p.m. (other classes). Children travelling by bus will be accommodated on arrival in a designated classroom and will be supervised until departure.
